CALEDON VOCATIONAL

SECONDARY SCHOOL

PRINCIPAL'S MESSAGE

As we prepare to celebrate the completion of our first decade of operation we begin to understand why our achievements have been so many. Since September of 1967, 1121 girls have enrolled at Caledon School and of those four hundred and twenty-two have graduated. I sincerely hope that all eleven hundred plus will help us celebrate our Tenth Birthday on Thursday, May 19, 1977.

During the past ten years fifty-three teachers have helped nourish young minds and of those, twenty are presently on staff. I hope that each of them will return to help us reminisce on May 19th.

I sincerely wish for all the teachers and students who have passed through Caledon's doors and all those yet to come, life's richest blessings throughout the future.

Friendly People

Students talking, laughing, making friends,
Friendly teachers, bright and cheery warming all our hearts,
Experiences and opportunities in every class,
Friends who care, and are always there to help,
Grateful graduates looking back, glad they had a chance,
Glad they went to Caledon School.

Jane Morden, Cl. 41

One friendly person who will be sadly missed is Mr. Jack Stockdale
who was Caledon's first caretaker (1967-1973). He died in March of 1977.

Caledon Traditions

Caledon has many traditions. Every year at the beginning of the year, we have a corn roast. That's when all the girls and teachers get together. This is especially for the new girls to meet the other students and make new friends.

In October we have a Hallowe'en party, when everyone gets dressed up, even the teachers, and we judge whose outfit is the best.

Then comes the big thing of the year. That is the Christmas Dinner. Every year Miss Kirby gives the girls a Christmas dinner. Everyone goes to the cafeteria to have their dinner followed by singing of Christmas songs.

Then in May, comes the Fashion Show, when all the girls who take sewing make outfits and model them in front of the school and their parents.

At the end of the year the whole school goes on a day trip and then holds elections for the next years student council. Everyone votes for the girls they would like elected.

On the last day in June, Miss Kirby has an assembly and that is when girls get awards for things they did really well that year.

These are Caledon's traditions, that students enjoy year after year.

Elaine Divers, Cl. 41

Caledon

Caledon is a school
Where we learn lots of rules,
Have good times
Write rhymes
Learn to bake
A dress to make
Hear a story
And learn to say sorry.

Jenny Love, Cl. 41

What I like best about this school is;
teachers who take the time to help you,
Not just putting you aside like an object
they don't care about;

The students who are nice and friendly.

When there is a problem it's nice that
they're around.

When you are at high school there are too
many people around, to think!

Here, you learn a lot.

There's nothing like a good school,
and that's Caledon!

Thoughts of a First Year Student

Of all schools I like this school best.
The other schools were nice but Caledon is the best.
I like the teachers and the work that they give to me.
I will always remember this school and I hope you will too.

WRITINGS

Lights

Lights sparkle, like gems
in the setting of nature

Gleam off the shores
off the deep blue waters.

Lights look like diamonds
in the setting of a ring,

They are glittering like
stars in the night.

Brenda Greenhalgh, Cl. 31

Lost in the Dark

What do you think?
What do you see?
It is dark - what could it be?
Wait! There is a little light.
I can hardly see,
Could it be a train?
No, it isn't a plane,
It is up high, that, I can see.
It may be a light house
But it maybe a dream.
Was I right?
Is it a light?
Yes, Yes!
It is a light house beside the rocks
Isn't it beautiful?

Ann King, Cl. 14

Smile

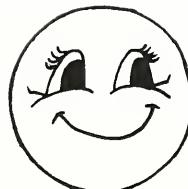

When the weather does not suit you,
When it's too cold or hot to go to school,
Try smiling!

When you are down, don't think of it,
Get those feet off the ground,
Just smile!

Don't worry if you lose a school game,
There will never be one just the same,
Keep smiling!

Either mad or glad,
Show a smile!

Vicky Gurica, Cl. 42

SNOWFLAKES

Snow like a sheet
Folded in a pleat.

Kim Wheeler, cl. 13

The snow was very cold and deep
I went to bed, but I couldn't sleep.
Susan Miles, cl. 23

The snow was creamy
And I was dreamy.

Jeanette Sportack, cl. 23

When I went to school, it was freezing,
When I got home, I was sneezing.
Laurie Brockbank, cl. 23

The snow came on Monday,
It didn't stop till Sunday!

Cindy Nardi, cl. 23

Snow came down like cotton twirling all around,
Softly, softly, without making a sound.
Maureen Quenneville, cl. 11

Snow like, egg-white
Cooked just right.

Kelly Owen, cl. 14

When I hear the winter wind blow
I think of a blizzard and four feet of snow.

Janice Laking, cl. 12

Snow falls like sugar, all over the ground
But when it's all gone, it's hard to be found
Donna Gake, cl. 13

Snow and ice
Like blowing rice

Caledon's Annual Christmas Dinner

Tuesday, December 21st was the day we had our traditional Christmas Dinner.

The students and teachers sat in classes in the cafeteria which was decorated beautifully by Mr. Howison and Mr. Vandermaarl. The students were dressed beautifully too.

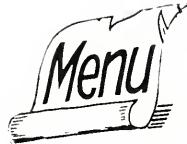

We were called up to be served by classes as our number was drawn from a box.

There was turkey, potatoes, gravy, beans and carrots. For dessert we had peppermint parfait or mince pies.

We sang Christmas carols while we waited to be called, but we were not too noisy and were very patient.

We presented gifts to Miss Kirby and the cafeteria supervisors and caretakers. Then we had the "Christmas Draw" which was, a hair blower, a doll, a wagon, a watch, a purse, a toy lion and a ten-speed bicycle. By the time all that had been done it was two o'clock and we went to our class parties.

Mary Burden
Teresa Brazier, Cl. 23

The First Year at a New School

When you are a first year student you are a bit shy,
because you do not know anyone.
It is hard to make new friends.

The thing that is hardest is finding classrooms.
When you find a friend it is much easier
to find the classroom you are looking for.

Another difficulty in a new school is having new
teachers.
It is hard to remember their names.

When you are in class you try so hard to work well,
but may not always do it right.
But it is lots of fun.

That's what it is like when you're a first year student
at Caledon School, sometimes can be better than others,
But most of the time, it's o.k.

Kelly Lynn Owen, Cl. 14

The Year Book

The Year Book is, something to remember,
All the fun things we did.
The Year Book, is to look back at,
And remember all our friends.

Karen Upton, Cl. 31
